Housing Services & Resources

The **Central Jersey Housing Resource Center** provides outreach programs and services that result in acceptance, recognition, and the availability of quality affordable housing. CJHRC is a 501 (c) 3 non-profit that has been helping clients for over 34 years when they have no other place to turn. We never charge a fee. Our organization primarily serves clients in Somerset and Hunterdon Counties. However, our excellent staff strives to assist anyone with housing hurdles who contacts our agency looking for counseling.

Raritan Valley Habitat for Humanity builds permanent affordable housing for low-income families by mobilizing a cooperative volunteer effort. RVHFH and community volunteers find the site, raise the funds, and select a family for each new home. The selected family works side-by-side with RVHFH and community volunteers on the construction of their new home. The family purchases the home upon completion with the help of a low-interest, no-down payment mortgage provided by Raritan Valley Habitat for Humanity. We recycle mortgage payments to fund the construction of more houses. To ensure the continued availability of affordable housing in the community, the deeds to the properties are restricted. <https://rvhabitat.org>
