CID Monthly Report

A Sample of Investigations & Arrests

On April 6, 2023 at 2019 hrs., officers responded to a residence on the west side of town on a report of domestic violence. Upon arrival, officers entered the residence and went to the 2nd floor where they discovered a female victim. She then took the officers to the suspect, who was holding one of their children and there was another child crying next to him. The victim told the officers that she went to run some errands with her children and when she returned, the male actor was upset because she did not return fast enough. The suspect then threw her on the bed and began strangling her for approximately ten minutes. During the strangulation, she relayed she never lost consciousness. She then ran from him and called 911 from inside the bathroom. She returned to the bedroom to get the children, but the actor pulled out a black pocket knife. He never threatened her or the children with the knife. The victim had red marks and scratches around her neck and the actor was placed under arrest. CID took over the investigation and the matter was screened with the Somerset County Prosecutor's Office. The suspect was charged with Aggravated Assault (2nd Degree) and two counts of Endangering the Welfare of a Child (2nd Degree). He was lodged in the Somerset County Jail.
