CID Monthly Report

A Sample of Investigations & Arrests

On May 3, 2022 at 1327 hrs., a Plainfield resident came to headquarters to report that on May 1, 2022 between 0800-1800 hours he was conducting a transaction using the middle ATM lane of a bank drive through when an unknown male parked to his right, approached him and told him that he was having issues with his account. The suspect asked him to deposit two (2) checks into his account for him. The victim felt pressured and complied and deposited a \$200 bank check into the account but the ATM did not make any of the funds available. They then used the ATM on the west side of the bank and deposited a \$200 check and the funds were available immediately. The victim then withdrew \$200 and the male subject snatched the \$200 from the ATM. The suspect advised the victim that if he reported this incident there would be consequences. The suspect then asked the victim to show him where the nearest gas station is located and he led him to a gas station. There was no threat of force but the victim felt pressured.

On May 18, 2022 at 0634 hrs., patrol responded to a residence on the west side of town on a report of stolen quads. The victim stated that an unknown person entered his

backyard and stole both of his ATV's. The victim reported that he listed one of them for sale on a social media site but the advertisement did not include his address. The victim's wife heard an alarm but did not think to check outside. The neighbor's ring doorbell captured a white box truck arriving on the street at a slow pace at 0233 hrs. The vehicle turned its headlights off as it approached the area of the victim's house and shortly after the alarm can be heard going off. The two quads were entered into NCIC as stolen by vehicle identification number.

On May 30, 2022 at 2220 hrs., patrol responded to the area of Washington Avenue for a possible robbery. The call came in from a third-party caller. The victim reported that he was walking West on Myrtle Avenue on the North side of the street when he was approached by a white male and female. The male punched him in the left side of his face and the two began to pat him down and attempted to steal his backpack from him. He also reported there was a third person, a dark-skinned Hispanic male, who stayed further back during the assault. He fled with the male and female after the assault. Nothing was taken.

NOTE: We are required by the Rules of Court to include herein a statement explaining that the charges are merely an accusation and that the defendant is presumed innocent until and unless proven guilty.
