NORTH PLAINFIELD POLICE DEPARTMENT

2018 ANNUAL REPORT

I. MISSION STATEMENT:

My top priority is to provide equal opportunity policing for everyone that lives, works or passes through North Plainfield. By this, I mean Law Enforcement Services will be fair, honest, and without bias. With the help of government and the members of the Police Department, I hope to build a mutual respect with all of our residents and business people. Former New York Mayor Rudy Giuliani once said, "A town in which an increasing number of people respect and are willing to accommodate the rights of others is a community that is moving in a progressive direction." My goal is to move the Police Department in a progressive direction.

The North Plainfield Police are trying to instill our belief in community policing and establish a confidence that "we as police officers, care more about your well-being than your immigration status, ethnicity, or sexual orientation." In many communities across New Jersey, the relationship between members of the community and law enforcement is strained. Our mission as police officers is to prevent and solve crimes. That goal would be virtually impossible to do effectively if witnesses or victims had some reluctance to come forward. We have no concern about a person's immigration status and we do not ask that question of a victim or witness. It is imperative that law enforcement maintain the trust and support of the people they serve.

A high priority is placed on initial screening and training of our employees. A continuing in-service training program is designed to keep us current with modern law enforcement practices. We aim to combine high personal ethics, quality training, and perseverance to provide the best possible service to the people of North Plainfield.
