

Somerset County Recycling Working to Clear Backlog following Winter Storm Orlena

Somerset County Recycling Moves Closer to Regular Schedule Following Winter Storm Orlena Residents Are Now Asked to Put Out Their Recycling as Regularly Scheduled.

Somerville, NJ – Somerset County Recycling is working hard to clear the backlog resulting from two days of snow from Winter Storm Orlena. It is expected that crews will be able to complete all areas affected by the suspended service by tomorrow and move into additional towns until regular scheduling is restored early next week.

Somerset County residents are now asked to **PUT OUT THEIR RECYCLING FOR THEIR NORMALLY SCHEDULED DATE** and leave their bins by the curbside until crews make it to their neighborhood. Do not wait to put bins curbside, and do not take them in until they have been emptied.

On Thursday, Feb. 4 crews will be in areas originally scheduled for Tuesday and Wednesday, including Bedminster, Bernardsville, Bridgewater, Far Hills, Peapack Gladstone, and the Sunset Lake area of Bridgewater. As soon as any one area is cleared, crews will move on to the next neighborhood until the regular schedule is back in effect.

Residents who have missed their regularly scheduled pickup are asked to hold their recycling until their next recycling date, or to bring their items to First Saturday Recycling on Feb. 6 at 40 Polhemus Lane in Bridgewater from 8 a.m. to 2 p.m. Proof of Somerset County residency (current driver's license, valid lease, tax or other bill with a Somerset County address) is required, and businesses may not participate.
