Zufall Health will be at the Manville public library on Wednesday, September 15, 2021, 12 – 6pm, with its mobile medical van. A Nurse Practitioner, behavioral health case manager and outreach worker will be available to consult with flood victims regarding disaster-related health concerns.

Common concerns might be:

- Minor injuries or exposures due to flood prevention and clean up including cuts, scrapes, bruises, and other skin irritations.
- How to replace lost medications and/or prescriptions
- Dealing with post-disaster stress
- Navigating local resources
- Replacing lost health documents
- Enrolling in insurance plans
- Connecting with on-going health care

There will be no fees for individuals. If services provided are reimbursable by insurance, insurance cards will be requested when available.

Questions, call Zufall Health at 908-526-2335.
